2014 NGS SUMMER DAY CAMP

WHEN SCHOOL IS OUT FOR THE SUMMER, NEXT GENERATION SCHOOL IS THE PLACE TO BE!

Weekly Summer Camp is an affordable, safe, and fun program for your child! Activities include: swimming, field trips, guest speakers, team building games, and rain "or" shine sport activities in our gymnasium!

MUCK! Out of this World Adventures in Art Mystery Mayhem Party in the USA Under the Sea

May 26-30*

KICK OFF the summer with gooey slime-filled activities. Each day introduces a new, mucky, and sure-to-please (or gross-out) the tactile senses concoction! Please wear clothes that can get dirty as we promise to be messy!
*NGS WILL be closed Monday, May 26, 2014.

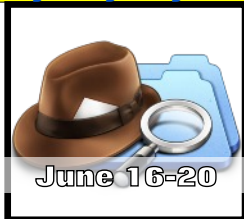

June 2-6

CLIMB ABOARD the NGS Discovery as we blast off into outer space and travel to the far reaches of the universe. Our young astronauts will learn about space travel, the solar system, and what it takes to be a space pioneer.

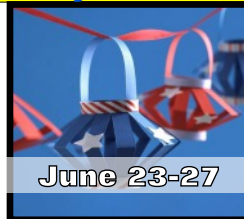

June 9-13

COME JOIN us for an unforgettable adventure as we get our hands messy and explore what materials can be used to create works of art. We will celebrate the end of our week with an NGS Art Gallery exhibition.

June 16-20

ARE YOU the next Sherlock Holmes? There is no mystery that this session brings excitement, suspense, and great detective work. The sleuth in you will love solving a new caper or completing a difficult scavenger hunt each day.

June 23-27

CELEBRATE THE red, white, and blue! We will explore what makes this country unique and what it means to be an American citizen. We will celebrate our Independence with a parade around the NGS campuses.
*NGS WILL be closed Friday, July 4, 2014.

June 30-July 3*

GRAB YOUR scuba gear as we become marine biologists and dive down deep to explore and learn about a variety of marine life. We may even find treasure as we also explore famous sunken ships!

Wild, Wild West

It's a Jungle

Fun with Food

Around the World

Our Backyard

Time Travel

July 7-11

SADDLE UP and come down the dusty trail to the NGS Corral to visit the Wild West. Learn about the California Gold Rush, the Pony Express, and the legends of the time. We'll celebrate the Old West through stories, sports, and hands-on activities.

July 14-18

WELCOME TO the jungle! Grab your binoculars and put on your pith helmet as we set off on a fantastic adventure. Along the way we will explore the tropical forests, exotic plants, and rainforest animals.

July 21-25

STEP INTO the kitchen! Learn where your food comes from and the art and science behind transforming ingredients into a delightful snack. Bring your imagination and appetite as you explore the wonderful world of food!

July 28-August 1

TRAVEL THE globe without ever leaving camp! Each day, experience a new country and explore geography, ethnic traditions, music, dance, food, folklore, and more! Pack your bags for great adventures and embark on our world tour.

August 4-8

EXPLORE THE joy and beauty of the natural world right outside your back door. Go on a nature discovery trek, catch and release insects, and learn about our ecosystem, including regional mosses, trees, and birds. End your week enjoying a meal outdoors.

August 11-15

STEP INTO the NGS Time Machine! Will you be walking with dinosaurs or traveling in a flying car? Hang on tight for this wild adventure through time as you learn about the past and predict what the future may hold!

AGES: 5-11 (Campers must have completed kindergarten to be eligible.)

REGISTRATION: Register at Next Generation School, 2521 Galen Drive, Champaign. To ensure a place for your child in our Summer Camp Program we recommend that you register for the specific weeks you desire no later than **Friday, May 9**. Late registrations will be accepted if space is available at the discretion of the Program Director.

LOCATION: All Summer Camp participants will be in the main NGS School Building at 2521 Galen Drive and in our After School Building at 2416 Galen Drive in Champaign.

QUESTIONS: Please feel free to call Gabi Cooper, Danelle LaFoe, Krystal Moya or Kristin Sandone at 356.6995 with any questions you may have.
